

CORNERSTONE PRAYER

Heavenly Father, You have used your Spirit to imbed a Cornerstone deep in
my heart

You have given me a friendship and memories that will last forever

You have granted me the warmth and serenity that comes with prayer

You have shown me that I am part of the Eucharist everyday

You have changed my life

For these and all your gifts, I thank You

Lord, when problems arise in life, help me to maintain perspective and to
remember that You are always with me

Help me never to forget that I am the only person that I can change
and in so remembering, grant me the courage to take the first step

Help me to see your Son in those around me and in some small way to be
Him for others

Not by being heroic, but by doing the little things You ask of me Father,

You have given me the gift of Cornerstone

Please keep its spirit fresh within me for as long as I draw breath
